Jane,

Is EPA working on a new health advisory level for PFOS as well as PFOA?

Subject: PFC NE Table

Hi All

Here is the latest list of PFC hits in public water supply systems across NE. – compliments of Chris Ryan

You may want to spend some time looking at the PFCS outside PFOA and PFOS, just because it adds to the system story .

Call if questions/concerns

Thanks

Jane

Jane –

Here is the electronic copy of the PFC file.

Chris
